GET TO KNOW OUR SORORITIES!

We have three sororities on campus; Delta Delta Delta (Tri Delta), Alpha Omicron Pi (AOPI), and Chi Omega (Chi O). Flip through this pamphlet to learn more about each sorority!

ALPHA OMICRON PI

AOII believes in a fraternal culture based on our values, and our Culture Principles were developed to provide our membership with a compass to help all members achieve the meaning of Fraternity in our Ritual. Our Culture Principles are: Accountability and Ownership, Collaboration, Engagement, Innovation, and Open and Honest Communication.

NOTES FROM THE PRESIDENT:

Here at AOII, we value character, dignity, scholarship, and college loyalty. We are a family that strives to build each other up and support academic and personal endeavors. Through our philanthropy, The Arthritis Foundation, we support helping with childhood arthritis in hopes of raising awareness and finding a cure. AOII inspires ambition and creates lifelong bonds.

AOII is where I have found my home! This family is full of people that will always have my back and I know that I can lean on when times are hard. During my time as a member of AOII, I have grown so much as a person, leader, and sister. I love being able to bring campus together during our events such as Mr. Rose and Strikeout to showcase our love and values to all of campus. Even after graduation, I know that the siblings I have met through AOII will be the people I continue to reach out to for years to come!
-Cassie Meyer, AOII Chapter President

DELTA DELTA DELTA

Tri Delta is an assembly of women with shared values where you can be yourself and belong to something bigger. We are brave, bold and kind. We are passionate about serving others, committed to becoming the best version of ourselves and dedicated to helping women live, learn and lead—with purpose—for a lifetime.

NOTES FROM THE PRESIDENT:

Tri Delta has three core values of truth, self-sacrifice, and friendship. These values are a common bond between sisters that bring meaningful, lasting friendship and support. We were founded as a society that is kind alike to all and we are passionate about serving others. As Tri Deltas, we are dedicated to our philanthropy of fighting childhood cancer through our national partnership with St. Jude Children's Research Hospital.

Our chapter at Rose-Hulman is a place where you can be yourself and belong to something bigger. We are brave, bold, and kind and committed to becoming the best version of ourselves. Tri Delta provides a lifetime opportunity to live, learn, and lead - with purpose - in a place that values support, personal growth, high ideals, and friendship.

Being in Tri Delta has given me an amazing support system and allowed me to meet some of my favorite people who will be my lifelong friends. I can't wait for you to find your home in Greek Life!

CHI OMEGA

Our Sisters are committed to Chi Omega's six purposes. These purposes guide each Chi Omega member and include the following: Friendship, High Standards of Personnel, Sincere Learning and Creditable Scholarship, Participation in Campus Activities, Career, Development, Community Service. The message of "personal responsibility" cannot be shared enough. Each member's choices and actions affect the entire chapter and our national organization.

NOTES FROM THE PRESIDENT:

By embracing Chi Omega's six purposes and placing our values at the root of our words, thoughts, and actions, we are able to truly enjoy one another as Sisters and as friends.

Chi Omega is a sisterhood of poised, intelligent, and fierce young women. We never back down from a challenge and lead our sisterhood, campus, and community with our hearts on our sleeves. We not only excel academically but are getting internships at some of the top organizations in the nation. I am not only proud to be a Chi Omega, and wear the letters, but I am also proud to be surrounded by women that share the same drive, ambitions, and love for fun and life that I do!
